PLEASE NOTE THAT

(1) Each quiz opens at 8:00 AM and closes at 8:00 PM on the date indicated in the table above. If you miss a quiz, you will not be able to make it up.

(2) You will need Minitab to take every quiz except the one on Module 3. If a quiz indicates "Yes" under the column "Worksheet" in the table above, you must access the quiz from a computer that has Minitab installed on it. Remember that you will see the worksheet only after accessing the quiz and the clock starts ticking as soon as you access the quiz, but unless the computer has Minitab installed on it, the worksheet will not open. If you are going to use Minitab on UConn AnyWare, you must launch a browser on UConn AnyWare (as opposed to your physical computer) to log in to Husky CT and then access the quiz.

(3) By taking these quizzes, you agree to abide by the **Honor Code**: *You will not seek help from anyone to complete the quizzes*. Note that you are allowed to use any course resource, including your calculator and Minitab, while taking the quizzes.

(4) Husky CT may be down for maintenance every day from 5:00 AM to 7:00 AM. You should not attempt a quiz during that period.
