**PLEASE NOTE THAT**

(1) Collaboration among students on these assignments is *strictly* prohibited.

(2) An assignment submitted after its **deadline** is considered late and may not be graded for full credit.

(3) Between its deadline and when it becomes unavailable, an assignment may be submitted through Husky CT.

(4) After an assignment becomes unavailable but before its solution is released, you can submit your assignment as an e-mail attachment to chiranjit.dutta@uconn.edu. Please send such an e-mail from your huskymail account and mention the course number and assignment number in the subject line (e.g., Stat1000Q Assignment 3).

(5) A submission of an assignment will not be accepted **under any circumstance whatsoever** once its solution is released.
