PLEASE NOTE THAT

- (1) You will need Minitab to take every quiz except the ones on Modules 3, 5, and 6. If a quiz ‘Involves a Worksheet’, you must access the quiz from a computer that has Minitab installed on it. Remember that you will see the worksheet only after accessing the quiz and the clock starts ticking as soon as you access the quiz, but unless the computer has Minitab installed on it, the worksheet will not open. **If you are going to use Minitab on the SkyBox, you must launch a browser on the SkyBox (as opposed to your physical computer) to log in to HuskyCT and then access the quiz.**
- (2) By taking these quizzes, you agree to abide by the **Honor Code**: You will not seek help from anyone, nor will you use any course resource, including the Textbook, to complete the quizzes. Note that you are allowed to use your calculator and Minitab while taking the quizzes.
- (3) HuskyCT may be down for maintenance every day from 5:00 AM to 7:00 AM. You should not attempt a quiz during that period.
